

## **Valerie Huegel**

### **Director, Policy and Stakeholder Coordination, Florida Department of Environmental Protection**

Valerie Huegel currently serves as the Director, Policy and Stakeholder Coordination for the Florida Department of Environmental Protection (DEP), where her primary role is to develop and enhance the Department's relationships with each of the military installations within the State of Florida.

She has served in various leadership positions within the Florida Department of Environmental Protection since 1985 to include program administrator, Petroleum Restoration Program, Division of Waste Management where she provided overall direction to a \$125,000,000 annual program, responsible for the cleanup of petroleum contamination in order to protect the health and welfare of the citizens of the state of Florida and the environment; and as program administrator, Office of Business and Planning, Northwest District where she was responsible for formulating and recommending appropriate policies, procedures, and regulations relating to human resources, benchmarking, budgetary and information technology services to the district.

Huegel also serves in the Navy Reserves and is the Commander, Navy Expeditionary Logistics Support Group in Williamsburg, VA.
