

Charlie Morgan

State Forester, Mississippi Forestry Commission

Charlie Morgan has served the Mississippi Forestry Commission as State Forester since 2006. Mr. Morgan oversees the state agency's leadership team in the areas of forest protection, forest management, wild land fire management, forest inventory, and effective forest information distribution. Prior to his work with the Mississippi Forestry Commission, Mr. Morgan worked diligently over the course of his 32 year career with International Paper and moved up the ranks to hold a variety of corporate management positions. At the time of his retirement in 2006, Mr. Morgan was the Acquisition and Harvesting Manager for the Western Region.

Mr. Morgan holds a Bachelor of Science degree in Forest Management from Mississippi State University. He is a member of the MSU Alumni Association, Mississippi Forestry Association, Forest Resources Association, Mississippi Council of Economic Education, Southern Group of State Foresters, National Association of State Foresters, National Joint Forestry Team for the Southeastern United States, and the MS Land, Water and Timber Board. In 2007, Mr. Morgan was voted Alumnus of the Year by the MSU College of Forest Resources. He and his wife, Susie, reside in Canton, Mississippi and have two sons.
