

Beverly Houston Banister

Deputy Regional Administrator, U.S. Environmental Protection Agency Region 4

Beverly H. Banister is the Deputy Regional Administrator for the EPA's Southeast Region (Region 4). In this capacity, she provides leadership on the implementation and direction of Region 4 programs across the eight southeastern states of Alabama, Florida, Georgia, Kentucky, North Carolina, Mississippi, South Carolina and Tennessee, as well as six

federally-recognized tribes.

Prior to assuming this position, Ms. Banister served as the Director of the Air, Pesticides and Toxics Management Division in Region 4. In this role, she was responsible for planning, coordinating, and implementing all air, pesticides, and toxics programs throughout the region. In her over 36 years of environmental experience, Ms. Banister has provided management and leadership to both the Waste and Water Divisions in Region 4, as well as EPA Headquarters.

Ms. Banister is a graduate of Auburn University with a degree in Chemical Engineering. She is an Alabama native and lives in the Atlanta area.
