

## SERPPAS Coastal Resilience Session

September 16, 2020

1:00 – 3:30pm EST on WebEx

Purpose: To convene the SERPPAS Principals, Steering Committee and other partners on SERPPAS coastal resilience on-going and future efforts, and discuss opportunities to continue advancing coastal resiliency in the region.

Meeting Objectives:

- Update the SERPPAS Principals on progress made within the SERPPAS Coastal Resilience & Regional Adaptation focus area since May 2019 and re-energized plans moving forward.
- Highlight specific coastal resilience partnerships and projects from around the region.
- Facilitate discussion among the SERPPAS Principals to inform SERPPAS resilience actions moving forward.

Meeting Audience and Participation: This meeting is targeted to the SERPPAS Principals, but Steering Committee members and any other interested partners will be able to attend. This webinar will have registration. Cameras will be disabled for everyone except speakers.
