

Carol J. Monell

Acting Deputy Regional Administrator US EPA Region 4

Carol J. Monell serves as the Acting Deputy Regional Administrator for the United State Environmental Protection Agency (EPA), Region 4 in Atlanta, GA. In this capacity she provides leadership on the implementation and direction of Region 4 programs throughout the southeast. Prior to assuming this position, Ms. Monell was the Director of the Superfund and Emergency Management Division where she was responsible for the Region's planning, coordination, and implementation of emergency responses, removal and remedial response actions, hazardous substance and oil spill prevention, cost recovery, and contingency planning and preparedness involving oil and hazardous substances.

Ms. Monell has been with EPA over 35 years with previous leadership positions in the Federal Facilities Restoration and Reuse Office in Headquarters; as well as the Region 4 Land, Chemicals and Redevelopment Division, Superfund and Emergency Management Division, Office of Policy and Management, Water Protection Division, and Air, Pesticides and Toxics Management Division. She successfully works across organizational boundaries internally and with other federal agencies, states, tribes, local governments, the private sector and other stakeholders to achieve desired outcomes.

Ms. Monell graduated from Vanderbilt University with a Bachelor's Degree in Environmental and Water Resources Engineering.
